# 29<sup>th</sup> International SCIENTIFIC - EXPERT CONFERENCE OF AGRICULTURE AND FOOD INDUSTRY

Dear Colleagues,

In partnership with Ege University Faculty of Agriculture and University of Sarajevo Agriculture and Food Sciences "29th International Scientific-Expert Congress of Agriculture and Food Industry" will be held in Çeşme, İZMİR, Turkey between 26-28 September 2018. The congress will be hosted by Ege University.

The aim of the congress is to present the latest research results in the field of Agricultural Sciences to overcome global agricultural challenges. It will give an opportunity to share knowledge and expertise regarding the best agricultural practices, particularly in the Balkans, as well as in other parts of the world.

The congress will bring together academics and researchers of all related disciplines. Areas of interest include, but are not limited, Agricultural Economics, Animal Science, Biosystems Engineering, Horticulture, Field Crops, Food Science and Technology, Soil Science and Plant Nutrition, Plant Protection, Agricultural Machinery, Farm Structures and Irrigation, Agricultural Biotechnology and Landscape Architecture.

We invite the scientists and the researchers to present the results of their research works before the academic society and the industry representatives and to publish them in the international scientific magazines, issued by the Journal of Agriculture Faculty of Ege University. We hope also, that during the conference you will be witness to the beauties of Çeşme and Aegean Region, and also will find out new friendships and ideas, so necessary for our mutual collaboration.

On behalf of the Head of Congress and President of Organizing Committee, it will be my honor to welcome you in Izmir and Turkey. You are kindly requested to make available the information about this conference also to other colleagues from the country and abroad.

**Prof. Dr. Mustafa BOLCA, Dean**  
Ege University Faculty of Agriculture  
Head of the Congress and President of  
Organizing Committee
